ALL THE BIBLE FOR ALL OF LIFE

The Conquerors Heroes of the Faith

 BaptistWayPress®

STUDY BEGINNING JUNE 2021

We will live this life as conquerors or as the conquered.

If a major movie studio and a highly capable director with several million dollars to spare would ever pick up the book of Judges, we would have one of the most epic movies of all time. For in the book of Judges are stories of battle, of good triumphing over evil, of intrigue and suspense, of family struggle, of love and betrayal, and of the type of person God loves to use in His Kingdom.

All of us will either live this life as conquerors through Christ, or as those who have been conquered by the things of this world. Judges 1-8 gives us a great glimpse of how to live a life of victory, and that the greatest Judge of all victory is Jesus!

When you stand at a high-altitude over the Book of Judges there is something that quickly stands out. God uses people that we might not ever choose. In fact, God almost seems to delight in asking the outsider and the uncertain to be His leader.

You may feel weak.

You may feel like a nobody.

You may feel insignificant.

You may feel unqualified.

Every judge in the Old Testament could probably relate. But God loves to use those who may feel shaky or inferior or incapable. God is not looking for your ability, but your availability. Tell God today that you are His. Tell God today that you are available for any task, any calling, or any mission that He has for you.

And then...watch and listen. **God wants you to be a CONQUEROR!**

The Making of Authentic Faith

Wisdom That Works

 BaptistWayPress

STUDY BEGINNING SEPTEMBER 2021

When difficulties come your way, how do you react? How do you respond?

When things are going well, is faith just an option for you? How about when things are falling apart? Is faith still just an option, or an absolute necessity?

People who are not Christians have a tough time understanding how God can give strength to navigate the difficult times and turn them into a period when faith grows. God gives us trials. And trials produce faith. And faith that cannot be tested, cannot be trusted.

James, the half-brother of Jesus, grew up in the same household as his older brother. He was the pastor of the church at Jerusalem, the head elder, when he wrote this book. And he writes absolute spiritual truth which is just as relevant today as it was when he wrote it 2000 years ago.

Are you praying for wisdom that works in the making of your authentic faith?

Jesus Storyteller

Timeless Truths
from His Parables

 BaptistWayPress®

STUDY BEGINNING DECEMBER 2021

Parables are stories that contain additional truth below the surface. In other words, the parable appears to be a simple story but has several layers of truth associated with it. Jesus used parables to relate to the people living 2000 years ago but these stories are **timeless truths** and still apply just as powerfully to us today.

When you hear the truth of Jesus in story form, you will not soon forget it. This practical study of the parables recorded in the Gospel According to Luke explains the personal impact of the words of Jesus. Hidden beneath the surface of every parable of Jesus is truth that can change your life. This study examines the world's greatest stories from the world's greatest **Storyteller** and explains the central teachings of Christianity in a simple way that everyone can understand. If you need to be inspired, challenged, and encouraged, this study on some of Jesus' most beloved parables is for you.

A Study of Job

ALL THE BIBLE FOR ALL OF LIFE

Praise Him in the Storm

WHEN
LIFE FALLS
APART

 BaptistWayPress®

STUDY BEGINNING MARCH 2022

Job was a righteous man. He had great wealth. He had a wonderful family. At a gathering in Heaven, Satan alleged before God that the only reason Job served God was because he was so blessed. Satan charged that if Job lost it all, he would curse God to His face. God gave Satan permission to test his theory to demonstrate to Satan and all the angels, that Job's faith was real. Satan went to work, and Job suffered greatly but never lost his faith. In the end, God restored to Job everything he had lost and more.

The Bible says when you go through trials and tribulations; it is a testing of your faith. Since God already knows the quality of your faith, the testing of your faith is to show you what kind of faith you have. Only real, genuine faith will sustain you **when life falls apart**.

*Is your faith strong enough to **praise Him in the storm?***

Lesson 1	Living by Genuine Faith	Job 1:1-12
Lesson 2	When Everything Falls Apart	Job 1:13-22
Lesson 3	Getting Through It	Job 1:18-22
Lesson 4	Life or Death?	Job 2:1-10
Lesson 5	When Friends Fail	Job 2:11-13
Lesson 6	Why Me Lord?	Job 7:1-21
Lesson 7	Even Faith Needs a Mediator	Job 9:32-35
Lesson 8	Hope on Display	Job 13-14
Lesson 9	I Am Not Alone	Job 19:13-27
Lesson 10	The Wisdom of Youth	Job 32:1-10
Lesson 11	Understanding the Storm	Job 38:1-3

CONNECT 360 BIBLE STUDY LIBRARY

ALL STUDIES CONTAIN 13 OR MORE LESSONS.

LIVING IN THE SPIRIT

BIBLE THEME

The Spirit. The Spirit of God. The Spirit of Christ. The Spirit of Truth. The Spirit of Grace. The Spirit of Promise. The Spirit of Glory. The Eternal Spirit. The Comforter. The Counselor. The Helper. All names and titles for the Holy Spirit.

This study of the Holy Spirit will take a good hard look at what has been called the absolute key to the Christian life...**Living in the Spirit**. The Holy Spirit will equip you and empower you to serve God. God commands us to continually be filled with the Holy Spirit. In fact, it has been said that the filling of the Holy Spirit is like the wind filling a sail on a boat. And He wants to fill you.

PURE JOY

PHILIPPIANS

Do your circumstances determine your joy? There is a false conception held by some people that says once a person becomes a Christian, everything in life will be great. That is not true. Philippians is seen as the happiest book in the Bible, yet it was written by Paul as he was under arrest and chained to a Roman soldier. Paul would have probably chosen not to be in this situation, but he did not moan, cry, or complain about his situation, but rather encouraged the church at Philippi.

In this study we will see that this entire epistle is one of rejoicing and joy...**PURE JOY**. Paul had the ability to sort through all the negatives of life and bring out all the beautiful positives. That's why he was able to say, "rejoice in the Lord always; again I will say rejoice."

THE reMARKable JOURNEY BEGINS

MARK

The baptism. Men fishing. A man possessed. A leper. A paralyzed man. A tax collector and sinners. The Disciples. Family. A man with a shriveled hand. The multitudes. Each approaching Jesus with **faith and hope** for the future. Each wanting a better life. Each trusting Jesus for an answer to their problems.

Mark, Chapters 1-3, is an incredibly fast-paced start to the earliest historical account of the beginning of Jesus' ministry. Mark's narrative moves quickly and reflects the "no time to waste" action in Jesus' life. There is certainly a sense of urgency that resonates in Mark's Gospel.

This study of Mark 1-3 takes an in-depth look at the character of Christ and His remarkable message at the very beginning of His ministry. We see clearly, in these three chapters, how the heart of God is moved by the heart of His children. Our prayer is that this study will inspire you to pursue a lifestyle of serving others.

SOLOMON

1 & 2 CHRONICLES

Solomon grew up in the royal palace of his father David, the oldest son of David and Bathsheba. David had the dream of building the Temple. But God gave that job to David's son, Solomon. And the rest is history.

But what really made Solomon different? It was not his charm, enormous wealth, or good looks. It was something very rare. A virtue which no other man possessed at such a high level. **Wisdom**. And this was no ordinary kind of wisdom learned from normal life experiences such as job, war, conflict, marriage, relationships, or even being a long-time ruler of a nation. This wisdom came from God. And God only.

Solomon did not ask God for wealth, possessions, and honor. He asked God for wisdom and knowledge.

PILLARS

BIBLE THEME

We live in a day that is extraordinarily like the time described by the Old Testament writer when “everyone did what was right in their own eyes.” We are constantly bombarded with the message, “there are no moral absolutes!” In the midst of this chaos, this study provides a word of hope. It might appear that everything is crumbling but the pillars of our morality are still standing. The Ten Commandments, given by God centuries ago, have a relevant word of hope for us today. These are moral absolutes, the revealed Word of God.

.....

THE FULLNESS OF CHRIST

COLOSSIANS

The theme of Colossians is “fullness.” The key passage of Colossians reveals the dual aspects of fullness: “For in Him all the fullness of Deity dwells in bodily form, and in Him you have been made complete, and He is the head over all rule and authority.” (Colossians 2:9-10)

The first half of Colossians speaks truth (doctrine) and the second half of Colossians tells us how to apply that truth (duty). Christianity is more than just knowing the truth. It is living the truth.

.....

CALLED TO SERVE

BIBLE THEME

We love to receive excellent service from others, but how eager are we to provide excellent service for others? All Christ-followers have been called to a life of service. But this call runs counter to our culture that celebrates self-fulfillment, self-expression, and self-achievement above all else.

Will we choose to follow Jesus' example?

MIRACLES

MATTHEW

In these lessons we will all benefit greatly from Matthew's detailed accounts of the great miracles of Jesus. Our prayer is that this study will reawaken us all to the transforming power of Jesus. His miracles are unquestionable displays of God's divine intervention.

A miracle doesn't have to be Jesus calming the storm, healing a leper, or feeding the 5,000. A miracle is when Jesus touches a person in need. When God forgives a sinner and accepts that person into His family, it requires a miracle, and Salvation is the greatest miracle of all.

FAITH UNDER FIRE

DANIEL

This study of Daniel is about God's sovereign power through great miracles and Bible prophecy. It also serves as a wonderful reminder of the power of prayer in a Christian's life. As a result of this study, our prayer is that your faith will be strengthened and you will have a deeper dependence on the power and providence of God.

RESCUE & REDEMPTION

BIBLE THEME

We all stand in need of rescue and redemption. In fact, the master narrative of the Bible is one of rescue and redemption as God provides the ultimate remedy for our sinfulness by sending his Son as our Savior. The Bible is also full of examples of God's rescue and redemption and several of these will be explored in this study.

CHARACTER AND THE CROWN

1 SAMUEL

What do people look for in their leaders? Physical attributes? Educational credentials? Oratory skills? Experience? Courage? How often is character a consideration? Our culture tends to confuse character with celebrity. But what kind of leaders is God looking for?

The Book of 1 Samuel reveals a wide range of character qualities in its featured personalities as Israel moved from a theocracy to a monarchy. Consider the Lord's reminder to Samuel when he was seeking Saul's replacement. "The Lord does not look at the things man looks at. Man looks at the outward appearance, but the LORD looks at the heart."

(1 Samuel 16:7)

TRIUMPHS & TROUBLES

2 SAMUEL

Life seems to offer us a mixed bag of wins and losses, triumphs and troubles. Often (but not always), our troubles are the direct result of our poor choices. We see this reflected in the life of David. Though he was a "man after God's own heart," and became king over the united kingdoms of Israel and Judah, he often struggled to make wise choices. We see this reflected in the Book of 2 Samuel. As you study this portion of God's word, celebrate David's victories, but also take note of what you can learn from his troubles. Pay attention to the far-reaching effects our sinful choices can have on those close to us.

GOING VIRAL

ACTS

Often when something “goes viral” through a video, website or idea it greatly impacts people’s lives as it gains national or international notoriety.

This is exactly the story we see in the Book of Acts. Shortly after the crucifixion, resurrection, and ascension of Jesus, the Holy Spirit arrived and ignited a gospel revolution at Pentecost. The gospel began to impact people’s lives in incredible ways as once fearful disciples became bold witnesses, and an archenemy of the church became its greatest missionary.

GRACE & TRUTH

GOSPEL OF JOHN

The Apostle John tells us in his Gospel that Jesus was “full of grace and truth” (John 1:14). Jesus was the perfect embodiment of these two attributes. He always spoke the truth (about Himself, His mission, and our needs), and He always demonstrated grace as He served others and eventually sacrificed His life to redeem us. The Gospel of John is full of stories which illustrate Jesus’ grace and truth—from His conversation with a Samaritan woman at a well (John 4) to His modeling of servanthood in John 13.

VACATION BIBLE SCHOOL

JOURNEY WITH JESUS: FOLLOWING IN HIS FOOTSTEPS

Available in English & Spanish

BaptistWay Press is excited to announce that, *Journey with Jesus: Following in His Footsteps*, is now available! This Vacation Bible School curriculum demonstrates how we should follow the example of Christ in our lives. We will

see that Jesus teaches us to be a friend, to care for others, to love others, that Jesus loves us, and that we should go and tell others about Jesus.

Our desire is for preschoolers and children to use their senses in understanding how we can follow Jesus' example in our daily lives. Wanting children to have different learning experiences, leaders will assist them in creating a map of Palestine that will be added to each day. They will also conclude each day with a die cut footprint, with an application to the lesson, as a tangible reminder of what they have learned. Children will also participate in a week-long activity of creating a newspaper, based on the stories they learned about in class. In addition, our preschool curriculum consists of a journey through Luke 2, from Jesus' birth and early years of life.

The Vacation Bible School curriculum is a free download and available by going to www.baptistwaypress.org.
