

BIBLE DRILL AND SPEAKERS' TOURNAMENT

Texas

Bible Drill and Speakers' Tournament is a discipleship ministry to encourage children and students to internalize the magnitude of God's love for each one of us. It utilizes scripture memory, Bible skills and speech preparation to equip young people to respond to life's situations through their growing relationship with Jesus Christ.

For Katie Davidson and Anna Kemp, the 2017 National Invitational Tournament winners, Bible Drill and Speakers' Tournament is so much more than memorizing words on a page. For them, this ministry has helped shape who they are today.

Katie said, "Bible Drill has given me more confidence in myself. I was initially quiet, scared to get in front of people and talk in general, but Bible Drill encouraged me get out of my comfort zone and do things I had never done before, including teaching others about Jesus."

"Speakers' Tournament has impacted my life by helping me solidify what I believe. The process of developing thoughts and studying Scripture has been a formative and irreplaceable experience. It really helped me build the foundation of what I believe and how I live that out in my life," said Anna.

Every year, Texas Baptists Great Commission Team works with churches and volunteers to provide training for Bible Drill tournaments. When we give to the Cooperative Program, we help equip churches to minister to their youth through Bible Drill and Speakers' tournaments.

Let's pray for all of next year's student participants, that their understanding of God would deepen as their knowledge of Him grows.
