

HURRICANE HARVEY RELIEF

Texas

Days before Hurricane Harvey made landfall as a Category 4 storm on August 25, 2017, Texas Baptist Men were ready to respond. The largest natural disaster in our state has impacted thousands upon thousands of people and caused damage to more than 500 of our Texas Baptists churches.

One month later, TBM volunteers had served more than one million meals and provided countless services from chainsaws and mud-outs to childcare and chaplain services. Through word and deed, TBM volunteers were the hands and feet of Jesus to thousands of Texans as they overcame the devastating destruction.

Pastor Jason Burden at First Baptist Church of Nederland noted that the storm's damage provided "an opportunity for us to get into homes and present the Gospel in a way we would have never had, had Hurricane Harvey not come to our neighborhood." As believers, we know that even in the midst of crisis, God is at work.

Our giving to the Texas Baptists Cooperative Program supports disaster relief efforts through TBM. We help bring hope and healing to those in the midst of crisis. As you prayerfully consider giving today, remember that your gifts stretch far beyond our church and community. Continue to pray for those impacted by Hurricane Harvey. Pray that the Lord would use this experience to draw men and women closer to Him.
