## JEREMY TALIAFERRO

---

### Uganda

Jeremy Taliaferro serves in Uganda, Africa. Five years ago, he met a believer from South Sudan named James. For some time, Jeremy trained James in church planting, spiritual disciplines, and Bible storytelling. Then James went back to South Sudan.

Two years later, Jeremy visited a camp in Uganda where refugees from South Sudan had fled to escape the war in their country — and he ran into his former student, James. Jeremy was thrilled when he learned that James had planted six new churches among the refugees.

Many people have come to Christ because Jeremy invested time and effort in training James.

Our church had a hand in Jeremy's training and church planting efforts through our Cooperative Program giving. We help support Jeremy and many other missionaries in Africa. Let's pray for the Lord to continue to bless Jeremy and his ministry with refugees.
