

HOW CAN I USE THESE VIDEOS?

- In the pre-service rotation on your worship center screens
- Prior to or during the offertory time
- At the end of the worship service, just before the closing prayer, perhaps with a brief intro such as, "Our church partners with more than 5,000 Texas Baptist churches to help spread the message of Jesus Christ. Before we leave today, let's look at this short story of one way God is using our Cooperative Program giving."
- As part of the rotation on your foyer, hallway or transition area screens on Sundays or throughout the week.
- To open a Wednesday night or other midweek gathering
- As part of the regular meetings of your deacon body or committees
- Make them available to Sunday School departments or classes
- Duplicate and distribute them to all church members by whatever means is appropriate for your church
- As part of your church's programming on a local cable access channel
- In any other way that helps your church see how cooperative giving enlarges your ministry and broadens your missions reach
