This Christmas we want to saturate this district with the true joy of knowing Jesus Christ. Come help host Christmas events in local schools, Christmas Kids Clubs in local villages, Christmas Field Days through local sports clubs, Christmas parties for women...the opportunities are endless! Through all these events we will have the opportunity to share the real reason we celebrate Christmas! Lake Tahoe has 12 million people visit each year and it is gorgeous. 85% of those who live and visit Tahoe do not know Jesus. Student missionaries will minister in our A+ School Age Ministry, A+ Preschool Ministry, My Morning Out, and Parents Night Out ministries. This is primarily a children's ministry position. We teach children 2.5-12 years of age. Most children who attend are not Christian and do not come from Christian homes. Students would be teaching Bible studies, teaching children to pray, memorize scripture, helping children complete their homework, crafts, and recreation. Each outreach ministry has the goal of helping children and their parents come to know Jesus Christ. You will be challenged to grow spiritually and emotionally. You will learn that life is about giving yourself away to the high glory of God. The church, the community, and the staff will invest their hearts and lives in you. We seek to train you to be the leaders of the future. Our goal is to produce Kingdom leaders to touch the world in Jesus name. On August 18 of this year, we have one of our A+ children (now grown up) speaking to our church. He and his family are missionaries in a Muslim country. He said, "Missionaries came to me and told me about Jesus. They invested in me and inspired me. Now I am telling others about Jesus!" We sense that God gives us college students for a moment in time. Each student who serves is important to God, to the Kingdom of God, and us. Our goal is to help students know what we know...that God can use them to touch lives for His glory.
