#### **Page to Pulpit Part One—Study**

The Bible is a document compiled in the 17<sup>th</sup> century with first century concepts that must be shared with a 21<sup>st</sup> century audience. Participants will receive hands on, step by step training in biblical exegesis.

#### **Page to Pulpit Part Two—Structure**

Sermons that are transportable are essential for church growth and effective communication. This class seeks to offer a replicable format for sharing biblical truths. Students will receive insight for preparing linear, deductive, and expository sermons and lessons.

#### **Page to Pulpit Part Three—Story**

Effective use of illustrative material is essential for making first century biblical principles come alive in the 21<sup>st</sup> century. This class is designed to instruct the student in the proper use of stories in biblical presentations. There will also be instructions on researching a wealth of resources for such illustrations.
