

# Mobilize Others

You can help mobilize your church, friends, and family by sharing this opportunity to support the Missionary Adoption Program! Of course you can adopt a missionary for a donation of \$150 a month, but did you know there are other ways to partner with MAP?

## MAP Small Group

Start a small group meeting for MAP. Pray for MAP Missionaries, collect funds to support a MAP Missionary or another MAP need, be engaged in mobilizing others!

Investment: Priceless

## MP3 Solar Bibles

"The Messenger" solar energy mp3 player has messages, Bible studies, and a full audio Bible. Investment: \$35 each

## 40hp Engine Boat

Used for transportation of missionaries and mission teams to share the Gospel in surrounding riverine communities.

Investment: \$8,000

## Water Filtration Systems

The Amazon is full of water, but clean water is not always available. You can provide clean water for a village or a family.

Investment: \$2,500 (village), \$25 (family)

## Worship House

As MAP Missionaries tell about Jesus, they need a place to meet.

Investment: \$2,850

## Tail Engine Canoes

Help a MAP Missionary be able to have a mode of transportation.

Investment: \$4,000
